**Subject:** DRAFT outcome and completed projects tables

Hi Erica – attached, please find our DRAFT outcome and completed projects tables for the FY19 Work Plan (they will be included as appendices in the final product).

Happy to discuss these tomorrow with you, or if you don't have a chance to review them in a high level of detail before our call, then just generally.

Please note the outcome table still has some internal comments as to who is the author of each section, which will allow me to better follow up with individual staff responsible for sections needing significant changes/edits.

Thanks!

Cheers,

Karina Johnston
